Dear Harold:

Sounds like a fascinating book! I'll really look forward to reading this one!

Too bad your copies weren't a little clearer for me to read but I think I got enough of the gist. Have you had any response?

Quite a developement with the Shaw suit. It seems to me that it could result in essentially another re-hearing of the case. Garrison might be forced to show some of the material he withheld during the trial for whatever reason. What do you think?
